

.....

And the winner is.....

Thanks to Mrs. Rynda, our school was able to take part in a mock election. The second graders were able to choose between four Presidential candidates. We studied each candidate, talked about their viewpoints on certain topics, and formed our own opinions. Of course, I'm sure that parents had NO influence ;). Our school voted Trump as President and so did the Nation.

November 9, 2016

Language Arts- We will be taking our unit two test in Language Arts tomorrow. We will then be starting unit three with new book club books.

Math- We are still talking about multi-digit addition. Make sure to practice fast math facts at home!

.....
