# How can we do better?

During our teacher workshop we reviewed the survey that parents took at the Christmas concert. Our school can always improve. What are some things that you would like us as a school or teaching staff to improve on? Is there a certain subject that you feel is not meeting your expectations? Do we communicate effectively with you as a parent? Please let me know if there is something that the school or myself could be doing differently.

January 18, 2017

Language Arts- We are starting our second half of the SuperKids curriculum. We will start to write imaginary stories and personal stories. We will begin talking about multiple paragraphs.

Math- We are continuing on our subtraction unit.

Report cards are being sent home today. Inside of the envelope will be the report card and FAST results. Please sign the envelope and return it to school. Be sure to check grades on Cornerstone throughout the quarter to stay updated on your child's academics!
