HRS Families -- Self-Assessment Survey

As you may or may not be aware, HRS is in the self-assessment stage of the school's accreditation process. This seven-year process begins with a parent survey designed to accomplish two main goals:

- to measure HRS performance based on the opinions of school families and
- to guide goal setting and planning for the future.

A paper copy of the survey is being distributed at the school Christmas Concert on Wednesday, December 21. You may complete and submit that paper copy of the survey, or you may go to the site included below and complete the survey online. If you have any questions, please feel free to call me. We do appreciate your input and need it for long-term planning.

If you have small used appliances that you are planning on getting rid of, please consider donating them to HRS's STEM Class. They can use the parts for class projects.

Special Christmas Thank you -

On behalf of the Most Holy Redeemer School, I want to thank you for attending the HRS Christmas Concert and sharing in the Christmas Joy. I would also like to thank Mrs. Christine Trcka and all the HRS staff members and parents who gave their time and talents to make this performance possible. Also thank you to the parishioners for always supporting Most Holy Redeemer School. May God bless each and every one of you this year and forever.

As always, please feel free to email or call me with any thoughts or concerns.

Thank you,
