# MEA is coming up!

Next week is MEA break. We will also get a day off of school for our marathon reward. We met our school goal, so there is no school on Oct. 19. We will be out of school from Oct. 19-21. Marathon was a HUGE success. Thank you to everyone for their donations and work to make this a success!

October 12, 2016

Language Arts- We have started our next unit in SuperKids. Students will continue to have a spelling test every five lessons.

Math- We will be taking our unit one test next week. Students are finishing up with first grade review (addition and subtraction). We will be starting a unit on addition within 200. We will be learning different methods to add!

All FAST scores were sent home on Monday. If you have any questions about your child's score, please contact me!
