Language Arts- We took our Unit Three test on Monday. We will be working on complete sentences and creating another story.

Math- The Unit Three test will be on Thursday. Our next unit is dealing with double digit subtraction.

*We have picked our names for the Christmas gift exchange. Your child should know who they picked. If they forgot, I have a list of the names. The gift should be around \$10-\$15. Students can bring these gifts in between now and our Christmas party.
