Christmas Concert Time!

Make sure to mark your calendar for our Christmas concert. We have been busy practicing at school. We will have our concert in the church this year. It is a great time for the school to gather and celebrate this season.

December 6, 2016

Language Arts- Our letters should be in the mailbox at the end of this week. We have been busy planning our letter and writing our first draft. I am helping students make some edits so they are ready to be mailed!

Math- We are going to be learning about different kinds of graphs in class. We will discuss bar graphs and line plots. We will then have time to create surveys and make a graph of our own.

*We have picked our names for the Christmas gift exchange. Your child should know who they picked. If they forgot, I have a list of the names. The gift should be around \$10-\$15. Students can bring these gifts in between now and our Christmas party.
